DEAR ALL,

Gillette Trailer 6 — Nando the Scribe

gillettenarrative.com

Dear All, Italy welcomed me, Reggio Calabria hosted me, and one day I'll reach America and greet you from there.

Today I'm pleased to announce that something new has taken shape:

gillettenarrative.com

Relax — it's not a criminal organization. It's something worse. It's my way of writing Gillette, and what it does to the people who have crossed it.

There was a narrative void in the world. I took an umbrella and claimed that piece of shade.

NaplesPost.com remains what it has always been: an archive, a place of depth, a territory for those who know how to read. But from today, the main entrance changes.

The Gillette Narrative — its origin, its identity, its architecture — now lives and grows on the new site, which becomes the global primary source.

This is not a transition. It's a transfer of ownership.

Welcome to the story. This time, without noise. And you'll be able to say — with a half-smile or a full one:

Yes, I know Nando.
