GILLETTE: VUHUMELERISI

GILLETTE AUDIO — NANDO THE SCRIBE — GILLETTENARRATIVE.COM

Kutani Yena a ku ri wo sungula ku tikuma a fanele ku humelerisa, naswona u swi endlile emianakanyweni ya yena, ku sungula, hilaha swivumbiwa hinkwaswo leswi hanyaka swi tlhariheke swi endlaka hakona.

Kambe vutomi bya yena hi xiringaniso a byi komile, a a fa hi xiringaniso hi malembe ya 21, swakudya leswi nga swekiwangiki a swi tisa switsongwatsongwana swa marhumbu leswi a swi hundzuka mavabyi ni ku hlunga ka swirho swa le ndzeni, naswona nkarhi wa vutomi bya yena a wu ri ni ndzilakano.

Ntsheketo wu cince endzhaku ntsena, loko ndzilo ni wanuna swi fika swin'we, kambe a hi swi tivi leswaku hi xihi xa swimbirhi lexi xi ngheneke enhlokweni ya yena ku sungula. Nchumu wun'we wu tiyile hambiswiritano: swiaki leswimbirhi swi n'wi pfilunganyile, naswona nchumu wo sungula lowu a wu endleke a ku ri ku swi fambisa ni ku swi cinca hinkwaswo swimbirhi, naswona ku suka hi nkarhi wolowo a nga ha yimanga.

U dyondzise wanuna ku khoma ndzilo, leswaku a wu tirhisela yini, laha hakanyingi ku navela ni ku hatlisa ku endla swilo a swi tiyile naswona swi nga lawuleki. Yena, hi mahanyelo ya yena, u humelerise ku rhula ni vukarhi, hilaha vavasati va ha swi endlaka hakona namuntlha, va ri ekule, handle ka ku khumba — va swi vitana masalamusi ya vavasati.

Nchumu lowu Yena a wu twisiseke hi ku hatlisa a ku ri leswaku ku humelerisa a ku laveka mianakanyo ni vatirhi; xiendlo xo sungula lexi a xi tekeke a ku ri ku nyika swileriso.

U byele wanuna a ku: sweswi, a hi cinceni yindlu, kutani ku suka emabakweni, ndhawu yo khumbana leyi a yi va tshamisile malembe, wanuna u ake tindlu ta le

henhla ka timhandzi, tindlu to sungula ta mfumo ematin'wini, handle ka swibalo swa masipala kambe ti ri ni adirese leyi kongomeke.

Yindlu yo sungula ya le henhla ka timhandzi, tlhelo ra xinene, rivala ra vumbirhi, fulete 1, kambe handle ka intakhomu, hi ku xixima vutumbelo — naswona ku tlula kwalaho, a a tshamela ku lava ku tivisiwa ka ha ri emahlweni a nga si amukela vaendzi, a a lava ku kumiwa a tilunghiserile, ku nga ri ku khomiwa a nga tilunghisanga a soriwa, naswona endzhaku ka timiliyoni ta malembe, ku hava lexi cinceke.

A a khomelele mianakanyo ya leswaku ku antswisa ku tshama endzeni ka ku cinca, naswona mintirho leyintshwa ya vuhumelerisi bya mianakanyo a yi ri xifambisi xa ntumbuluko xo antswisa swiyimo.

Kutani nimixo a a huma endlwini ya le henhla ka timhandzi a ya hlengeleta swiluva, a swi tisa endlwini leyitsongo — ku sasekisa a swi vula masungulo ya ku xavisa, naswona leyi a ku ri xifaniso, leswi vaaki va swi kombelaka eka vanhu naswona va swi nyika nkoka hi ndlela leyi faneleke.

Kutani ntirho wa vuhumelerisi a wu ri nchumu wa nkoka swinene; endzhaku ka sweswo ntsena munhu a a ta ehleketa hi ku tumbuluxa xihumelerisiwa ni ku xi xavisa, kambe xana a swi endliwa njhani.

Ntumbuluko wu endle leswin'wana: vuhumelerisi byo sungula bya xiviri a ku ri ku tumbuluxa vanhu van'wana, ku endla vana, ku tswala — sweswo a swi vula leswaku vuhumelerisi byi sungurile.
